

ACTIVITY		THE LEXICAL FIELD					
Level		A1	A2	B1	B2	C1	C2
Target language		English Spanish	French Polish	Latvian German	Any	Duration	45 min
Type of activity		Individual task Group activity		Vocabulary Use of a dictionary			
Objective	Cultural	The influence of culture on lexical fields					
	Linguistic	Listening		Writing Speaking			
Description	<p>The teacher gives learners a photo representing for example a situation loneliness. (Optionally, learners can search for a picture on internet).</p> <p>The teacher asks them to describe orally what this photography means for them. Then teacher and learners agree on some key words. (e.g. loneliness, nature, colour...)</p> <p>Alone or by pairs, learners choose one of these key words. Then they write a list of terms related to the chosen key word. The dictionary is required. Each learner or pair tells the list written, and will justify their choices if needed.</p> <p>The teacher will comment and explain progressively the concept of lexical field, adding other specific examples and introducing more lexicology concepts.</p>
