

Activity Information Voices in Pictures

Name of Activity	IMAGINE
Language(s)	French, English
Suggested Level	A2/B1
Suggested Objectives	Use assumption structures such as: I think.., I suppose... and different semantic fields to talk about: cities, markets, shopping, free time activities... Produce/make descriptive spoken and written texts. Create group cohesiveness through team work.
Procedure	We show different details about the same picture. The students, in small groups, have to imagine who those people are, the link between them, where they are, what for, what they did before, what they are going to do later, ... We develop the imagination and the description and we create different stories.
Other Comments	Use of the presentation adapted to the target language
